## **Caledonia Fire Department Snowmobile Rescue Drill**

Well because of all the snow we've had the drill with the Fire Department was cancelled. If we get any snow this year the drill will be rescheduled.

### **Maps are Done**

Joell Davies and Vernon Ransom have this years map ready to go. They are available to be picked up at club meetings.

### **Trail Work**

All of our trails have been staked and signed. On the new trail heading out to Leroy from Lover's Lane there are a couple of objects to watch out for. One is when you cross Linwood Road heading towards Rte. 5 in Leroy, there is a culvert that hasn't been put in yet, so for right now there is a bridge in it's place. Also watch out for alot of tree stumps off to the side of the bridge. Another spot is where the club put in the bridge on Paige's property. When your heading from Rte. 5 (by G's gas station) toward Caledonia, watch out for the sharp right hand turn just before you get to the bridge. It's marked real well, but it comes up on you fast. So keep the speeds down and follow all trail signs. On the trail heading out of the fairgrounds to Avon watch out when you go through some of the fence lines because they are a little rough. Also on that trail, when you run down the side of Sand Hill Road please go slow so we don't have any complaints from residents about the speed or noise.

### **Winterfest**

Our 2nd Annual winterfest will be held on February 4 from Noon to 4pm at Jones Hall (next to the fairgrounds in Caledonia). This will be a rain, snow or shine event. You can come by car or on

your sled. The day features all you can eat hamburgers, hot dogs sausage, chili and dessert for \$5 Adult and \$3 Children under 10. Also there will be a groomer display and demo, sled rides, vintage and newer sled displays, membership drive, map sales, lawn mower raffle sales, 50/50 Raffle and door prizes. Any questions or if you would like to help out contact Joanne Crosman at 538-6066.

### **Lawn Mower Raffle**

In this newsletter there is one more book of raffle tickets, this will make the second book for everyone. Again it would be appreciated if everyone would sell 2 books. With everyone selling 2 books, it will make it easier to make more profit. If you have sold your tickets or you want more, give Ron Beach a call at 538-4631 or see him at the Club Meetings.

### **Club Clothes**

There are club clothes available to order at club meetings and on the web. There will be order forms at the meetings and also available on the web site.

### **Reminder...**

Unfortunately with the bad weather we have been having everything is wet. So before you go out on the trail make sure the riding conditions are good. Watch out for wet spots and ruts in the fields (there are a lot of both this year), watch for signs that have been knocked down by the wind, stay out of the mud, be careful of the winter wheat and hay seeding and respect other residents that may not be snowmobile friendly. This is just one bad year, so lets not go and ruin it for years to come.
