New Registration

The club has received the vouchers from NYSSA. How it's going to work is: 1) When you fill out your 06-07 membership you will receive a voucher filled out by the club. When you get the voucher, send the voucher into DMV (or go in person) with \$45 per sled and your registration bill stating you owe \$100. The voucher will act as \$55 off your registration. The voucher is good for more than one sled as long as the voucher membership address matches the sleds registration from the sleds address. 2) Go online to the NYSSA website, join our club and get your voucher. Last we knew this wasn't up and running yet. 3) You can go to DMV join our club there but I think they are waiting for the online system as well. If someone has an urgent need the can get a hold of Bruce Crosman and he can get you a voucher.

Membership

Membership forms are in this months newsletter. The board has voted on moving the membership from Nov. 1 thru Oct. 31 to July 1 thru June 30 to coincide with the NYSSA vouchers. Then next year when the State sends out the registration, everyone that has renewed there membership will have there vouchers already.

Trail Work

There will be work details Sunday Sept. 10 and Sept. 17 starting at 8:00am and we will meet at the Gunsmoke. There is a couple of culverts that we would like to get in before the weather turns on us.

New Meeting Place and Time

Due to increasing membership, starting in September both the Board and Club Meetings will be held at Jones Hall Firemen's Room (west entrance). They will both stay on Tuesdays, but the club meeting will start at 7pm instead of 7:30pm. The club would like to thank the Iroquois Hotel on being a great host for our meetings the past couple of years.

Lawnmower Raffle

Congratulations goes to Mark Pullyblank of Caledonia who was the winner of this years lawnmower. A big thanks goes to everyone that helped sell tickets and brought the lawnmower to different events. The Club made \$1367 on the raffle.
