Trail Report

As many of you have probably seen or heard, trail work has began. There is much more work that needs to be done. And your help is needed!! All the bridges that have railings on them have to be changed, all hedge row openings widened, and several other changes made as well to accommodate for the groomer. If you have some spare time over the weekends, please contact any of the following trail coordinators. Roger Johnston, R.J. Hilderbrant, Scott Falkner, Pat Pearse, Jim Vink or Bruce Crosman. They need your help!! We now have 38 miles of trail that we maintain, and together as a club we can make it happen!!

Maps

Maps are looking Hottttt!!!!!!! Joell Davies and Vernon Ransom have been spending hours compiling information and reconstructing, and laying out our new map, and it looks awesome!! We do believe they will be available at the December meeting, so make sure you are there to check them out and see what these guys have been working on for the past Month! You won't believe it!!

Christmas Party

The Club X-Mas party will be held at the December meeting. It will be similar to last years party. We are asking that everyone brings a dish to pass rather it be their favorite desert or perhaps a casserole. The meeting will begin at 7:30 pm sharp and we will eat immediately following. Also we will have a T.V. and VCR set up for sno videos for those who would like to bring those as well. We hope to see you there.

Lawn Raffle

The 2005 Lawn Tractor Raffle is under way, and is going well. Carla Ransom is the chairperson for the raffle. The Lawn tractor will travel to several events throughout the winter and spring up to the drawing date in August of 2005. Details of the Raffle will be discussed at the December meeting. We kicked bu... on last year's raffle, let's do it again this year!!!

Groomer

Well, the groomer was busy last month traveling around visiting. Thanks go out to Bruce Crosman for his services hauling it. Also many thanks go out to, Bill Rogers, Roger Johnston, and Bruce Crosman for a "doll up" on it before it went to the Hilton Sno- Flyers Sno show. If any one would like to see more pics, you can go to the web site, and check out several more as well as a short video clip courtesy of Joell Davies.

NYSSA

Jim Meyer, the President from the Hilton Sno – Flyers who also is the District Director for Monroe County will be representing Livingston County at the State level. This is great opportunity for us and any other club within the County to have the continued representation at the State level. So if you should run into Jim, please give him your support. Thanks Jim!

Genesee County

There is a new Gen. Cnty. Map out. They are available at many of the Trail sponsors locations. The Sleds of Stafford held their annual banquet/ raffle, and the winner of their trailer was our very own Executive Trail Coordinator, Pat Pearse. Congratulations Pat!

Memberships

Memberships are past due, so please try to get them in as soon as you can. You can bring them to the December meeting, or mail them to the P.O box. If we don't receive them by the 15th of Dec., you will be removed from the mailing list. Thanks.
